

Beacon Christian Academy

Information Packet

Welcome to Beacon Christian Academy

Thank you for your interest in **Beacon Christian Academy**! We are excited to share what makes our school unique.

Beacon Christian Academy is a Christian homeschool hybrid program serving students in Grades 2–12. For more than 30 years, our program has provided families in the Huntsville area with a high-quality, affordable Christian education that combines individualized instruction with the support of experienced teachers in a nurturing environment.

Our mission is to partner with families to develop students academically, spiritually, and personally while encouraging a lifelong love of learning.

Our Distinction

At **Beacon Christian Academy**, students benefit from:

- ◆ Christian, Bible-based education
- ◆ Small classes with an approximate 6:1 student-to-teacher ratio
- ◆ Individualized, self-paced learning
- ◆ Daily one-on-one teacher assistance
- ◆ A safe, encouraging learning environment
- ◆ Flexible scheduling that allows students to pursue athletics, fine arts, employment, ministry, or other opportunities outside of school

Schedule

Students attend classes:

Monday–Friday
8:30 a.m. – 12:00 p.m.

This half-day schedule provides families with flexibility while ensuring students receive strong academic instruction.

Academic Program

Our curriculum emphasizes mastery of the core academic subjects while allowing students to progress at their individual pace.

Core Subjects

- Mathematics
- English
- Science
- History / Social Studies
- Bible

Students are placed according to their current academic level through diagnostic testing rather than strictly by grade level. This allows every student to experience success while continuing to grow academically.

Teachers provide continual instruction, tutoring, encouragement, and accountability throughout each school day.

High School Opportunities

High school students enjoy individualized instruction while also participating in teacher-led classes, including, but not limited to:

- English
- Biology
- Chemistry
- Applied Physics
- Personal Finance

This combination of independent learning and classroom instruction helps prepare students for college, career, and life.

Our Teaching Philosophy

Every child learns differently.

Because of our individualized approach, students are not expected to learn at the exact same pace. Instead, teachers work closely with each student to identify strengths, provide additional instruction where needed, and celebrate each student's progress.

Our learning environment is especially beneficial for:

- Students who thrive with individualized instruction
- Advanced learners
- Students who need additional academic support
- Students with learning differences
- Students balancing extracurricular activities, employment, or medical needs

Christian Education

Faith is woven throughout every part of the school day.

Students receive biblical instruction and are encouraged to develop Christian character, integrity, responsibility, and a heart for serving others. Our goal is to help students grow both academically and spiritually.

Affordable Christian Education

Beacon Christian Academy is committed to providing a quality Christian education that is affordable for families.

We are also an approved Alabama CHOOSE Act Education Service Provider, allowing eligible families to use CHOOSE Act funding toward tuition and qualified educational expenses.

Why Families Choose Beacon Christian Academy
